OVERVIEW

Great opportunity to acquire a property that has been recently renovated with exquisite taste and high quality finishes by Jaime Beriestain, one of Barcelona's most popular designers.

Recently renovated property located in a neoclassical building dating back to 1935. Next to the Avenida Diagonal and the exclusive Paseo de Gracia, in Barcelona's Eixample district.

This period apartment has an area of 213 m². It consists of 3 bedrooms: one master bedroom with living room, private bathroom with underfloor heating and dressing room, a double bedroom suite and one guest bedroom. Three bathrooms: one en-suite bathroom, one full bathroom and one guest bathroom. A fully equipped kitchen with high-end appliances (KitchenAid, Smeg and Miele) and an exquisite Portobello granite worktop. The kitchen is separated from the dining area by sliding glass doors combined with black metalwork. This gives way to a bright and spacious lounge with direct access to 2 balconies with unobstructed views of the city.

The property has been completely renovated with exquisite taste and high quality finishes. It has oak floors with a herringbone pattern in the living area and a parallel pattern in the sleeping area and marble floors in the bathrooms. Air conditioning and heating is zone-specific for maximum comfort.

This elegant apartment has been renovated by Jaime Beriestain, awarded as best Spanish designer in 2016 by the magazine AD and one of the most prestigious designer's in Barcelona.
