### OVERVIEW

## Excellent renovated 3-bedroom apartment for sale in a renovated building on Avinguda Diagonal in Barcelona.

This development is located on Avinguda Diagonal, in a 1930s building with a spectacular façade and offers luxury apartments that overlook the Sagrada Familia.

The building, which is being completely refurbished, offers an elegant marble hall with a concierge service and a lift, as well as parking spaces.

This excellent 119 m<sup>2</sup> apartment is located on the fifth floor of the building. Entering a hall welcomes us. On the right, there are two single bedrooms with a complete bathroom to serve them.

Next, we find the spacious independent kitchen with a central island and dining area, fully equipped. After the kitchen, we come to the spacious living-dining room, which receives a lot of natural light thanks to its huge windows. Finally, to the right of the living room, there is the large master bedroom, with its private bathroom and a living area.

Modern interior design and cutting-edge technology have been carefully combined with restored original details from the 1930s to create this impressive home in the centre of the city. Features that make this apartment stand out include high ceilings with restored wood window frames and mouldings, parquet floors, and elegant marble bathrooms. Floor-to-ceiling windows flood the living-dining room and master bedroom with natural light. The Bulthaup brand kitchen comes fully equipped.
