### OVERVIEW

## Stunning modern penthouse on the Barcelona beachfront with fantastic views across the city and the sea.

Enjoy the entire city of Barcelona from this beautiful first-line penthouse apartment with uninterrupted, panoramic views from every floor-to ceiling window.

Renovated from top to bottom, the apartment is in perfect condition and the finishes are exquisite. This is a truly privileged position high above the city, and the apartment has open plan living areas that harness the views and flood every corner with natural light.

The living room and kitchen-dining area have an open plan feel, and part of the large room is used currently as an office. The bedrooms provide possibly the best views in Barcelona, with a double-aspect master suite that allows you to take in the entire city from your bed.

Outside, the L-shaped 30m<sup>2</sup> terrace runs the length of the apartment on two sides, perfect for relaxing or entertaining and gazing across the city, from Tibidabo mountain down to Montjuïc, Barceloneta and the lovely beaches that sweep up to the Forum.

Ease of living and peace of mind are provided by two parking spaces in the building, a concierge service and 24-hour security.
