### OVERVIEW

## Bright apartment with excellent renovation potential and direct views of Sant Antoni market, for sale in Barcelona.

This apartment for sale in Sant Antoni, one of the most fashionable neighbourhoods in Barcelona, is on the second floor of a stately, corner building with a lift. The building enjoys excellent views of the recently revamped Sant Antoni market. Although the apartment is presented in good condition, space could be gained by creating a more open-plan layout, some updating is therefore recommended for this property to reach its full potential.

We are welcomed into the property by an entrance hall with a large cupboard for storing jackets and coats. There is a separate kitchen and living-dining which opens onto a balcony with views of Sant Antoni market, filling the space with natural light. Four double bedrooms and 3 bathrooms complete the property. There is also an interior courtyard for private use.

The apartment has heating to ensure comfort throughout the year.
