OVERVIEW

Spacious and bright apartment, renovated to an excellent standard, for sale in the Gothic neighbourhood of Barcelona's old town.

This exterior facing apartment, measuring 125 m², is on the principal floor of a corner building which does not have a lift. The property is in the heart of the Gothic neighbourhood, on a charming street with shops less than 10 minutes from the beach.

The apartment has been completely renovated to a very high standard including air conditioning system with cold / heat ducts and interior and exterior restored pine wood carpentry. The kitchen boasts Santos fittings and is fully equipped with NEFF appliances. The renovation has also maintained some of the original architectural features, such as the ceiling moldings and hydraulic floors in certain areas (entrance, bathrooms and hallways). The rest of the property has natural oak flooring.

The layout consists of a hall with 2 bathrooms and a storage room. The hall opens into the day area, with the kitchen, dining area and a living room with a balcony. From the living room a hallway leads to a single bedroom and 2 double bedrooms, all of which have a balcony.
