OVERVIEW

Fantastic 2-bedroom apartment renovated with period features and balconies in Poble Sec.

This beautiful fully renovated apartment is located on the third floor of a classic twentieth century building, near Carrer Blai, in the Poble Sec neighbourhood. The apartment is presented in excellent condition and is bright, has a functional, modern design and charming period features such as mosaic floors and high ceilings with wooden beams and Catalan vaulting. Currently, the building does not have a lift, but one could easily be installed.

The living area consists of a spacious living room with an open kitchen: a bright and comfortable living room with access to 2 balconies with pleasant views of Carrer Margarit. This balcony, which has a wider area, is the perfect place for a table and chairs where you can relax after a long day or have breakfast on weekends. The integrated kitchen, on the other hand, is fully equipped with a fridge and dishwasher and has mosaic floors, which give it a unique touch and make it stand out in the living room.

The night area has 2 wonderful exterior-facing double bedrooms. In this part of the home, we also find a small but practical covered gallery area. A large bathroom with a utility area completes the layout.

The property is equipped with air conditioning, heating and double glazed windows to ensure maximum comfort at any time of the year. It also has an alarm system.
