Beautiful completely renovated penthouse with 4 bedrooms and several terraces for sale in Sant Gervasi-Galvany, Barcelona.

Fantastic triple-aspect penthouse, completely renovated for sale in a classic 1950s building located in the heart of Galvany, Barcelona.

This 177 m² penthouse is completely renovated and benefits from being completely exterior facing, with two south-facing terraces and another facing Tibidabo. This magnificent penthouse has lots of natural light in all its rooms. It presents the day and night areas as clearly differentiated.

The day area offers in an open room an elegant living room, a reading area and a dining area with a beautiful fireplace. This space has access to two terraces facing the sea. A large French-style kitchen with Catalan vaulted ceilings, utility area and a small space for breakfast and snacks complement the day area.

In the rest area, there are a total of 4 double bedrooms, 2 of them with built-in wardrobes. On the one hand, the master bedroom consists of a custom-made dressing room and a spacious bathroom with natural light, double sinks and a large shower plan. Next to this, we find two more large bedrooms, with access to a terrace, and a complete bathroom with a bathtub. The last bedroom overlooks the light well and is very bright, since we are on the top floor.

As far as the finishes are concerned, the apartment has wooden floors, white aluminium window frames, high ceilings in the kitchen with Catalan vaulting and gas heating. The penthouse has two storage rooms on the community rooftop.

Please contact us for more information about this exclusive triple-aspect penthouse, surrounded by shops, one minute from Galvany market and close to different types of public transport.
