OVERVIEW

Fantastic 3-bedroom apartment with balconies on Carrer Valencia in a corner building dating back to the year 1900, near Passeig de Gràcia.

This fantastic property is located in a turn-of-the-century corner building very close to Passeig de Gràcia, in the heart of the Eixample. The apartment, which was renovated 2 years ago, enjoys high quality finishes and materials and a range of neutral colours that, combined with the wooden floor, the cabinets and the doors, create elegant and cozy rooms, ideal for a family. In addition, the apartment has period features, such as high ceilings with mouldings, and the building in which it is located also has original elements such as stained glass.

The apartment enjoys a very practical layout:

The apartment offers a large modern and comfortable living room,, which has access to 2 balconies over Carrer Valencia, which provide plenty of light. Next, we find a fully equipped kitchen, with simple and sophisticated design, and a dining area. We also find a gallery area to the back of the apartment.

The night area has 3 wonderful large bedrooms, one of them with a very practical loft. Two bathrooms complete the home.

The property has microcement floors in the kitchen and bathrooms, and natural wood floors in the rest of the home. In addition, it is equipped with air conditioning, heating and double glazed windows.
