OVERVIEW

Fantastic 5-bedroom family house of 412 m², surrounded by nature, for sale in a very quiet place, just a few minutes from Barcelona.

This wonderful house with views of Barcelona, the sea and the mountains is situated on a 751 m² plot in Vallvidrera, surrounded by nature. It is a unique, elegant house with its own style and a large garden that surrounds it with beautiful porches and vegetation.

The house is distributed over 3 floors plus a lower level, where we find a wine cellar, a room with an indoor pool with counter-current swimming mechanism and a parking space for 2 large cars, as well as motorcycles or bikes.

On the ground floor, a bright hallway gives way to the living room and dining room. Both rooms enjoy excellent views: the living room overlooks the porch and the mountains, while the dining room overlooks the garden and kitchen garden. To the right of the living room we have a guest toilet and an impressive wooden staircase that gives access to the other floors.

On the same floor we also find the kitchen with access to the laundry room and the service area, which consists of a bedroom and a bathroom. At the back of the kitchen there are some stairs that go down to the cellar.

On the first floor there is the master bedroom with a dressing room and private bathroom with a Brazilian marble jacuzzi and mountain views. Moving on we find a studio, 2 bedrooms with access to a large terrace and a shared bathroom.

The second and last floor has a living room, a double bedroom and a bathroom surrounded by windows overlooking the whole of Barcelona and Collserola. These three rooms give access to another very large terrace with city views.

An ideal opportunity for those who wish to enjoy nature, peace and privacy, without giving up the services of a big city. Contact us for more information.
