OVERVIEW

Beautiful 4-bedroom property with 2 terraces for sale in a new development in Poblenou.

This 4-bedroom apartment is part of a new development near Plaça de les Glòries and the future Plaça de Les Arts. This development offers magnificent high quality homes in the 22 @ district of Barcelona, in Poblenou, a quiet and modern neighbourhood that has become the technological, artistic and innovative centre of Barcelona.

The apartment consists of 4 bedrooms and 2 bathrooms, with a good layout that has a clear day and night area. Upon entering the apartment, we find 3 bedrooms: 2 doubles and 1 single, with a shared bathroom. At the end of the corridor, the master bedroom is located, which has a private bathroom and access to a private terrace. At the other end of the apartment are the kitchen, living room and dining room, which also opens onto another fantastic terrace.

The residences have been designed with the utmost care to create modern, cosy and warm urban homes. They have spacious living-dining rooms, bathrooms with high-quality finishes and equipped kitchens. In addition, the exterior-facing bedrooms benefit from abundant natural light.

The apartments have finishes and accessories that guarantee maximum comfort, including hot and cold air conditioning, wooden floors and solar energy. What's more, the building has parking spaces available.

A great investment opportunity.
