104m² Built size

OVERVIEW

Beautiful property located in a building dating back to 1938, without a lift.

The apartment measures 104 m², currently divided into three rooms, a bathroom, kitchen and laundry room. It is a property with lots of light and charm, located on a real second floor, of a building dating back to 1938. This is a unique opportunity to renovate it to your liking. The apartment maintains original period features and, given its orientation, enjoys light and sun all day.

At the entrance of the apartment we find a hall that separates the area day and night. On the right we have two rooms, one of them with access to balcony and main street. On the left, we have the separate kitchen, a bathroom, bedroom and living room with access to covered gallery from which you can see a large patio.

Please contact us for further information about this property.
