OVERVIEW

Beautiful period property with 3 bedrooms and 3 bathrooms for sale on Carrer Provença, at the heart of Barcelona.

Located in a charming period building, dating back to 1936, on Carrer Provença, we find this brand new fourth floor apartment for sale. The building features a classic wooden lift and a full-time concierge service, as well as a storage room for each of the owners on the rooftop. There are 2 properties per floor.

This beautifully renovated 3-bedroom apartment is the ideal city centre home for families seeking a spacious apartment with high-quality materials and finishes. It has a surface area of 160 m² (130 m² registered) and has been cleverly designed by the prestigious developer to offer a flexible layout. The apartment offers a sunny living and dining area, with high ceilings and decorative mouldings, which overlooks the street and is backed by a spacious kitchen and a utility room, a bathroom and a bedroom or study.

At the opposite end of the property we find a total of 3 bedrooms, one of which is the immense suite, with chic built-in wardrobes, a balcony and private bathroom, making it particularly impressive. Two further bathrooms are shared by the remaining bedrooms.
