## Impressive renovated apartment with a terrace and spectacular views, for sale in a corner building near Rambla de Catalunya

**Beautiful renovated apartment for sale with 3 double bedrooms and 3 bathrooms in a majestic building in excellent condition.**

This apartment has been recently renovated to an excellent standard. It benefits from a diamond-shaped distribution, almost without corridors, with outward-facing living room and two double bedrooms and, thanks to the height of the apartment and corner position of the building, excellent views.

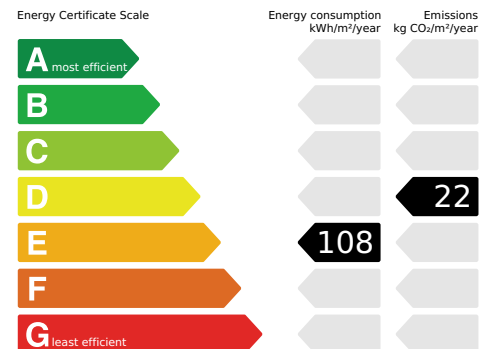

This unique apartment has characteristics rarely seen in the Golden Square of Barcelona's Eixample neighbourhood, given both its excellent location, very close to Rambla de Catalunya and Passeig de Gracia, and as for its corner layout. In addition, the common spaces in excellent condition plus the height of the apartment and almost fully outward facing distribution, make this a very special city centre home.

The property is registered as measuring 159m<sup>2</sup> with a real area of 158m<sup>2</sup> according to the plan.
