It is newly renovated with an open concept layout and an industrial touch. It is located on the ground floor of a 1910 building in very good condition, and has a certificate of occupancy.

The layout of this property is very clear and open. The ground floor consists of a multifunctional living room, which could be used as a projection room or a study, a fully equipped kitchen with natural marble countertop, a pantry, a bathroom with a shower, and another multipurpose space that could be used as a living room or as a second double bedroom with a dressing room. It is a perfect home as a primary residence or for investment, as it is move-in ready and a rental value return of more than 5%.
