OVERVIEW

Very bright apartment with a magnificent location a few minutes from the beach and with a fabulous renovation.

This apartment has beautiful sea views and a magnificent location, almost on the beach, for those who like to enjoy the sea, and also a few minutes from all the shops and restaurants offered by the centre of Poblenou.

The apartment is located in a building dating back to 1880 with character and with the façade in great condition.

As we enter, we find a very cozy and open hall. On our right, we will see the spacious and bright living room that overlooks the outside where we have a small balcony from which we can see the beach and the sea.

If we continue from the hall, we will find the first bedroom, in this case double, connected to the living room. Following the natural course of the hall, just in front, we have a full and spacious bathroom. Finally we find the fully equipped kitchen with its American bar that gives way to a very bright gallery.

Finally, on our right we find the last bedroom, in this case a single, with access to the bright area of the gallery.

The perfect home for a young couple, investors or as a fantastic second home to enjoy the comfort of having the beach a few minutes' walk away.
