### OVERVIEW

### Fantastic apartment located in the heart of Galvany, a step away from Avinguda Diagonal and Rambla Catalunya.

The property is located in a classic 1950s building and consists of 230 m<sup>2</sup> and 4 bedrooms.

The apartment is separated into a night area and a day area, in order to offer a lot of privacy to both. The day area is very spacious and due to its orientation it has a lot of light.

On the other hand, the night area is on the other side of the apartment that overlooks the block courtyard, so that part is very quiet. Three of the bedrooms are doubles and very spacious.

The apartment has a service area and rear entrance with service lifts. The building has a concierge service from Monday to Saturday.

It is sold with 2 storage rooms and the option to buy a parking space in the neighboring building.
