OVERVIEW

Fully renovated, bright apartment with a terrace and optional parking very close to Passeig de Sant Joan.

This stunning 124m² apartment is on the 7th floor with breathtaking views of the city and Tibidabo.

As we enter the apartment, on the left is the first bedroom, the smallest of the 4 bedrooms yet a very good size. This room looks out onto a typical interior patio. Next to this bedroom is a full bathroom with a shower. As we continue down the hall, we find ourselves in a large kitchen with a state-of-the-art induction cooker on a central island, and all top-quality appliances built-in. The kitchen has enough space for a big table with chairs.

Next, we enter the large lounge with its own modern fireplace and large glass doors that look out onto the terrace which totals 21m² and has beautiful views of Eixample and Tibidabo. The lounge is very spacious and enjoys lots of natural light.

From here we can access the 3 double bedrooms, one of which is en-suite and 2 of which are exterior-facing and therefore very bright.

Underfloor heating and cooling are installed throughout the house which means no need for machines and ducts.

A good-sized parking space and a large storage room are also for sale for an extra €30,000.

The building benefits from a concierge service from Monday to Friday.

This apartment is ideal for a family looking for a modern, spacious home with lots of light.
