OVERVIEW

Bright and spacious designer penthouse with high quality finishes and magnificent private terrace with open views across the city in El Born.

This magnificent penthouse enjoys an excellent location in El Born, right in front of the Mercat de Santa Caterina with open views across the city and down to the sea, very close to Plaça Catalunya and Arc de Triomf. The property, which is presented in excellent condition, stands out for its spacious and bright rooms with and an incredible terrace leading out from the living room. This fabulous home is located on the top floor in a building with a lift.

The penthouse underwent an in-depth renovation a few years ago by the Scandinavian owners and a well-known Barcelona-based architect and designer.

We are welcomed into a very bright kitchen / dining room that is fully equipped with quality appliances and gives way to the night area. This part of the property offers 2 double bedrooms and a master suite with a dressing room and a large private bathroom. The bedrooms have views over the upper part of El Born and up onto Eixample.

We also find the large living-dining room with a lot of charm and lots of natural light that overlooks a large 43 m² terrace with breath taking where you can enjoy al fresco dining or a chill-out area to make the most of the excellent climate.

The property boasts beautiful wooden floors in the bedrooms. It is also equipped with air conditioning, heating and double glazed windows to ensure comfort throughout the year.
