OVERVIEW

Fantastic fully renovated apartment, very bright and with a perfect layout, for sale in one of the best areas of the Zona Alta in Barcelona.

In the Tres Torres neighbourhood, we find this typical and wonderful renovated apartment, ready to move into.

This 249 m² apartment is located in a new building from 2014 with a concierge service and two lifts. The property is completely renovated, in perfect condition and with high standard finishes.

There are two entrances: the service door and the main door. If we enter through the service door, we find the service bedroom, a bathroom and laundry room that would lead to the kitchen, which also has a guest bathroom.

If we enter through the main entrance, we find a large hall that connects with the day and night areas. As the layout is very well planned, the two areas are clearly separated in a cosy and comfortable way.

The day area is composed of a spacious living-dining room that connects with the fully equipped kitchen, with high quality finishes. The living-dining room opens up the outside through a 29 m² terrace which, in addition to connecting with the living room, also connects with the master suite. The terrace is one of the highlights of this property.

The night area is made up of four bedrooms and four bathrooms. This includes three double bedrooms and a master suite with a dressing room. The bedrooms are large and spacious with their own bathroom each. Furthermore, the master suite is very bright thanks to its access to the terrace.

The apartment has four parking spaces and storage room.

This is a perfect home for those families who want to enjoy one of the best areas of Barcelona; a property that is ready to move into and enjoy its elegance and grandeur.
