## Wonderful luxury home on Via Laietana, with 2 bedrooms, a balcony and the highest quality finishes.

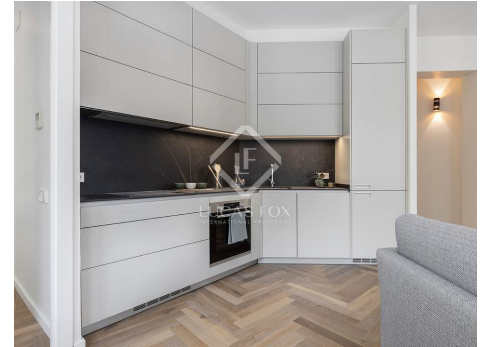

This magnificent home, located on a third real floor, is newly renovated and offers an area of 87.68 m<sup>2</sup>. It stands out for its spacious and bright spaces with an elegant design, with nothing less than a balcony and three bay windows. It is all exterior and faces two streets, with the master bedroom facing a pleasant green semi-pedestrian street.

Upon entering, we are greeted by a spacious lobby with a practical guest toilet. Next, the day area is presented, consisting of a spacious and bright living-dining room with an open kitchen equipped with a Santos brand kitchen (with a 5-year warranty) and Bosch / Siemens appliances. This space receives abundant natural light thanks to two bay windows. On both sides of the room, there are the two bedrooms that the apartment offers, with a comfortable double bedroom with a bay window on the left, and the master bedroom with a private bathroom and a balcony on the right.

This luxurious home benefits from high ceilings, abundant natural light and oak parquet floors. It also stands out for the high quality of its finishes, among which we find LED lighting, large double-glazed windows with acoustic insulation, Daykin air conditioning and heating.
