OVERVIEW

Duplex penthouse to renovate with a good layout and plenty of light, for sale in Turó Park, Barcelona.

Duplex apartment located on the seventh and eighth floor, with good orientation in one of the best streets in the Zona Alta of Barcelona. Despite the fact that the property is presented in good condition, with original finishes, due to the age of the building, an update would be necessary.

The property is divided into two floors. The first floor is made up of three bedrooms and two bathrooms. The apartment is accessed through two doors that lead to the hallway. In the day area, we find a spacious living-dining room next to the kitchen and a double bedroom with bathroom. Later, we find the service bedroom along with a small toilet. Then, in the night area, we find a double bedroom with a bathroom and a room that could be converted into an additional bedroom.

The upper floor consists of a hall, a living room and a small bathroom. But what is most striking is its two terraces, which due to their spaciousness, are perfect for creating a chill-out area.

Thanks to the height of the apartment and its position it enjoys plenty of natural light.
