OVERVIEW

Beautiful 3-bedroom apartment in a stately corner property with original features, with a tourist licence for 13 people.

This beautiful principal floor apartment with a tourist licence has all the necessary characteristics both as a private home and as a tourist rental investment.

The property is located on one of the best streets in the Golden Square, on a corner building from the early 19th century.

It has three double bedrooms (one overlooking the street and the other with a private half-bathroom facing the block patio).

It has a complete U-shaped kitchen and a utility / storage area.

It has high ceilings with Catalan vaulting, original mosaic floors and original stripped wooden doors.

This is a great opportunity to acquire a charming property with a tourist licence in the upper part of the Eixample, almost touching Diagonal and a few metres from Enric Granados and Turó Park.
