OVERVIEW

Bright apartment with high quality finishes facing Plaça de Sant Cugat, fully furnished and equipped, for sale in El Born, Barcelona.

This attractive, fully renovated apartment enjoys an excellent location in El Born, next to the Mercat de Santa Caterina and Via Laietana. The property, which was fully renovated 2 years ago, is in excellent condition and stands out for its bright living room with very high ceilings.

The apartment is ready to move into with great renovated period details and many modern features. It is for sale with all furniture and equipment. Ideal for an investor who would like to rent it out directly. No further costs need to be considered as it is ready to enter.

On entering the apartment, to the right, you'll find a very bright living-dining room facing Plaça de Sant Cugat with a small balcony. It is south-facing so the sun enters directly into the apartment.

Next to the living area, you'll see the first bedroom which enjoys natural light. Then a wide modern kitchen with made to measure furniture leads to a double bedroom with built-in closets and the bathroom with a shower.

The property underwent a high-quality renovation in 2018, including excellent concrete flooring, a high-end kitchen and designer furniture that make it a unique and sophisticated home.

In short, a great opportunity to acquire a magnificent apartment in the centre of Barcelona.
