OVERVIEW

A beautiful, spacious, bright, peaceful classic apartment.

Spectacular dual aspect apartment with high ceilings in a stately building with a lift in Eixample.

As soon as we enter the property, a large hall takes us to the left towards a spacious living room facing the street, which is divided into two areas and has a balcony.

We also find a nice dining room. Following the corridor to the other side of the apartment, we gradually enter the night area, where we leave behind the kitchen and find two double bedrooms, a machine room and a complete bathroom until we reach the main bedroom, with direct access to a huge walk-in closet and to the rear covered gallery, facing a wide block patio.
