OVERVIEW

Design apartment with 2 bedrooms and 2 bathrooms, for sale in one of the best locations in Barcelona's Eixample, right in the Quadrat d'Or.

Wonderful renovated apartment, ready to move into, for sale in a building with character, equipped with a lift on Carrer Casanova, in the heart of Barcelona's Eixample Left.

The apartment is oriented towards the interior block and enjoys unobstructed views, a lot of tranquility and abundant natural light.

With an area of about 92 m², the property offers a fantastic open living room that leads to a glass-enclosed gallery with beautiful views of a landscaped interior patio. The kitchen is modern and equipped with high quality appliances. The layout is completed by a master bedroom with a private bathroom with shower and built-in wardrobes and another double bedroom, also with built-in wardrobes and direct access to a second bathroom.

The renovation has been carried out with a lot of charm and with touches of Nordic style, all combined with original elements such as the high ceilings with Catalan vaulting, the marble finishes, the original restored mosaic floor tiles, exposed brick walls and parquet floors made of natural wood in the shape of a herringbone.

The apartment is available furnished for an additional price. It is ideal for anyone looking for an elegant and modern home in the city centre and with no renovation required.
