OVERVIEW

Magnificent apartment to renovate of almost 200 m² for sale in Turó Park.

In one of the best parts of the Zona Alta area of Barcelona we find this apartment to renovate.

The property has a functional layout with clearly divided living and sleeping quarters. It has two entrances: the main entrance and the service entrance. Right at the service entrance we find a bedroom and a toilet, and then a hall that leads to the kitchen with a laundry room and another toilet. In this same area we find the spacious living-dining room with double access to two terraces.

The night area consists of a corridor that leads to a double bedroom with a complete bathroom. Next, we find the master suite with its bathroom and study or dressing room. And, right next to it, finally, a small bedroom.

A perfect opportunity to make this large apartment the home of your dreams. In addition, the apartment has a parking space and a storage room.
