Excellent 3-bedroom apartment for sale in Eixample Right, Barcelona

Beautiful 136 m² modernist apartment, completely renovated down to the smallest detail, for sale in the Quadrat d'Or, in Barcelona's Eixample Right.

This apartment has a clearly differentiated living area and bedroom area. The day area consists of a kitchen with an island open to the dining room and a spacious living room with access to the balcony.

Upon returning to the entrance, we find a wide corridor that leads us to the night area. On the right, we find one of the three large bedrooms that has built-in wardrobes. Next, we find a complete bathroom next to the two large bedrooms, one of them, with its private complete bathroom.

The two bedrooms share a bright gallery that, if its space is used well, could become a dressing area with large built-in wardrobes, since it is a spacious and multifunctional space.

The property is equipped with air conditioning, heating and double glazed windows to guarantee your comfort at any time of the year.

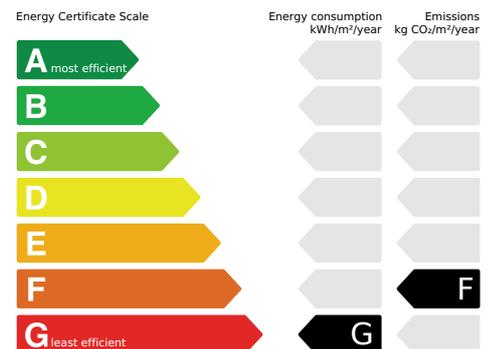

In short, it is a beautiful example of a modernist apartment located in the heart of Eixample, renovated with high quality materials and great attention to detail to create a space with a lot of personality, comfort and style.
