Excellent 2-bedroom penthouse with a 70 m² terrace for sale in Sant Antoni, Barcelona

Fantastic renovated penthouse with many of the original features and connected to a private 70 m² terrace.

In an unbeatable location within the Sant Antoni neighbourhood, on Carrer Viladomat, close to Avinguda Mistral and one street from Mercat de Sant Antoni, we find this incredible penthouse recently renovated with exquisite taste.

The 108 m² property is located on the top floor of a 1900 building and enjoys a private 70 m² terrace.

The interior space has been designed respecting many of the original elements, such as floors, mouldings, carpentry or exposed beams, which give the property great personality.

Upon entering the penthouse we find a spacious and bright hall that articulates all the spaces. It is also here where a spectacular designer staircase leads to the wonderful terrace, where there is also a storage room.

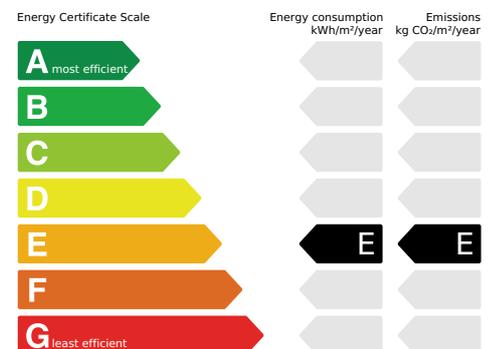

To the left of the hall we have a large living room of more than 35 m² with two balconies facing Viladomat street. To the right are a fully equipped semi-open kitchen, two full bathrooms and two double bedrooms. Both bedrooms have access to a pleasant covered gallery that could be used as a study area.
