OVERVIEW

Impressive apartment with views of Turó Park, quality finishes and a perfect layout for sale in Barcelona.

This apartment has two entrances, the main one and the service one. In addition, it is perfectly divided into two areas: the living area and the night area.

Upon entering the front door, we find a spectacular hall that separates these two areas. To the right, we find a huge living area in two rooms and further on the dining room. Both the living room and the dining room benefit from abundant light from their windows, high ceilings and clear views.

Continuing through the dining room, we arrive at the kitchen, fully equipped and with appliances by good brands. This area connects directly with the service area consisting of a bedroom with bathroom, pantry and gallery. This area can be accessed directly through the service door.

The night area has a corridor that leads to the different rooms. First, an office and then we find the master suite with its own dressing room and bathroom, as well as a small balcony. Further on, there is a double bedroom with a bathroom and another bedroom that is currently used as an office. Finally, there is a bathroom that serves these last two rooms. All bedrooms are spacious and exterior facing, with abundant natural light.

In addition, a large parking space for two cars is offered.
