Excellent fully renovated apartment with good quality finishes for sale in the Gothic Quarter of Barcelona

Spacious and bright apartment recently renovated with 1 bedroom, open kitchen and a living room with views of the charms of Barcelona's Gothic style.

This 76 m² apartment is located in the heart of the Gothic neighbourhood, next to Barcelona Cathedral, specifically on the first floor of a historic 19th century building. The building has undergone complete refurbishment and has a lift connecting the 3 floors. The modern-style apartment has been completely renovated and is in perfect condition, ready to move into.

Upon entering, we find a guest toilet on the left and, moving in a straight line, we enter a bright living-dining room. The contemporary kitchen, in addition to being open and connecting with the living room, offers a practical and elegant island in the centre of Neolith Calacatta and oak wood. It is also fully equipped with an oven, microwave and fridge-freezer. The day area forms an open space with access to a balcony with beautiful views of the typical streets of the Ciutat Vella.

The apartment is completed by a bedroom-suite, which includes a dressing room and a complete bathroom with Carrara marble wall and floor covering, as well as natural oak wood furniture.

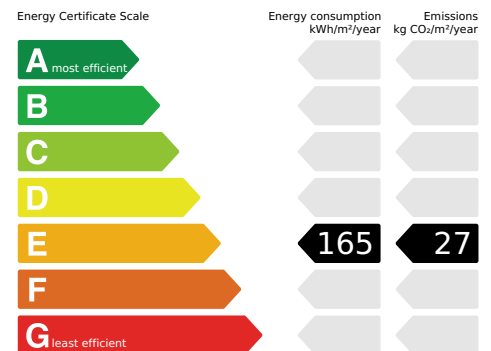

Oak laminate parquet flooring and high ceilings combine with modern finishes to create a unique and welcoming atmosphere.

Please contact us for more information about this apartment, ideal as a first or second residence in the heart of the historic centre of Barcelona.
