New build 1-bedroom apartment for sale in Eixample Right, Barcelona

Impressive apartment with 1 bedroom and 2 bathrooms for sale in the heart of Barcelona's Golden Square.

The Rambla Catalunya 29 development presents this luxurious 132 m², 1-bedroom apartment in Barcelona's Golden Square, the most prestigious and sought-after area of Barcelona.

This refurbishment and expansion project, carried out by TBD Arquitectura, has prepared a magnificent building from 1871 to meet the expectations of the most discerning clients.

As its name suggests, this development is located on Rambla Catalunya, one of the most prominent modernist avenues in the centre of Barcelona. Always brimming with life, history and culture, this semi-pedestrianized thoroughfare is home to a selection of luxurious boutiques, exclusive brands, and prestigious restaurants and cafés. From here, you can walk to the most prominent places in the Eixample, or by public transport, thanks to its excellent connection to the metro, train and bus networks. In addition, it is right next to Passeig de Gracia, an avenue full of luxury establishments and emblematic buildings.

The wonderful façade of the property is combined with the contemporary interiors of this apartment, which are distributed in open rooms in which the layout flows, enhancing its spaciousness and light. As soon as you enter, it is obvious that it is not a conventional home.

The property offers an open-plan living-dining room and an elongated kitchen. This is followed by the master bedroom with access to a bathroom. The property also offers another complete bathroom.

An apartment with an elegant style and the highest quality finishes, without a doubt the ideal home for a couple or a professional.

A luxurious new development in one of the liveliest and most cheerful avenues in the centre of Barcelona.
