OVERVIEW

225 m² apartment to renovate to suit the new owner for sale in a building in perfect condition and with concierge service in Barcelona.

Spacious 225 m² apartment to renovate with high ceilings, located on the sixth floor of a classic building in perfect condition with a lift and concierge service.

This is a dual aspect property, so it enjoys the sun in the mornings and afternoons. In addition, it has a double entrance: the main entrance and the service entrance.

Currently, it is distributed as follows: when entering on the right, we find a large hall, a living room and then the entire day area facing the street. This consists of a spacious living room with fireplace, from the dining room we access the kitchen, the laundry room, a bathroom and a double bedroom.

As you enter on the left, the night area is arranged with five bedrooms, two of them overlooking a quiet block patio, and two bathrooms with showers.

The property has a storage room located in the basement of the building.
