OVERVIEW

Excellent 3-bedroom apartment with a 19 m² terrace for sale in a new development with a garden and pool in Badalona.

Badalona Canal, an exclusive new development, offers this wonderful 3-bedroom property with a modern style designed by contemporary architects, which has high-quality materials and finishes. A home created to meet all your needs in front of the new channel of the Port of Badalona, just 10 minutes by car from the centre of Barcelona. The development includes garage spaces, storage rooms and magnificent community areas, with beautiful landscaped spaces, a large swimming pool with a solarium area and a children's play area.

This apartment benefits from a very functional layout. As soon as we enter, on the left, you will see the day area, which consists of a spacious living-dining room with a practical open-plan kitchen, with access to a 19 m² terrace. The kitchen has excellent finishes: Silestone worktop and is equipped with an oven, microwave, "touch control" ceramic hob, extractor hood, built-in dishwasher and large-capacity refrigerator. The terrace, meanwhile, is the perfect corner to admire stunning views of the sea and the city.

The night area, on the other hand, benefits from 3 comfortable bedrooms, one of them with a private bathroom, and a bathroom that serves the rest of the rooms. The bathrooms have Hansgrohe taps and porcelain tiles from Porcelanosa, with the possibility of choosing between different options.

The property includes other finishes such as underfloor heating, an air conditioning system with a heat pump and an individual mechanical ventilation system with hygroscopic-adjustable aerators. It is even equipped with a home automation system with a touch screen and management via application, which controls the LED lights, the motorised blinds and can be configured according to the needs of the new owner.

A unique opportunity to acquire the home of your dreams in a new development in front of the Port of Badalona.
