### OVERVIEW

## Spectacular renovated apartment, with terrace and unobstructed views in Turó Park.

In one of the best parts of the Zona Alta area we find this spectacular apartment of approximately 200 m<sup>2</sup>.

The property has two entrances: the service entrance and the main entrance. As we cross the main entrance, we have a large hall that separates the day and night areas.

The day area offers a large living-dining room composed of a space with a fireplace, a dining room and a living room that is connected to the kitchen. This part all has access to the large terrace, which gives light to the apartment thanks to the unobstructed views it has. The kitchen, which is fully equipped with high-quality finishes and appliances, has a small gallery and a service area with a bedroom and bathroom.

A corridor leads to the night area, which is made up of three bedrooms: a bedroom with a dressing room and a complete bathroom, two double bedrooms that share a complete bathroom, and a large office (which could be converted into a bedroom). All the rooms are exterior, bright and offer views of Plaça Sant Gregori Taumaturg.

This renovated, bright and perfectly planned home also has a storage room and a parking space with capacity for three cars.
