### OVERVIEW

### Magnificent new build apartment with 3 bedrooms for sale in a renovated building with a terrace with chill-out area in Poblenou, Barcelona.

The Ramón Turró Alaba new development enjoys an excellent location in an up-and-coming residential area of Poblenou in Barcelona, the @ 22 district. It is a very quiet neighbourhood with green spaces and is close to the beach, but it offers all kinds of services, as well as excellent transport links with the rest of Barcelona.

Furthermore, the development offers its residents a chill-out area on the top floor, ideal for relaxing after a long day of work, while contemplating the excellent panoramic views of the city, as well as gorgeous sunsets.

The apartment enjoys a modern and functional design that allows the entry of a lot of natural light, with spacious interiors throughout and great attention to detail.

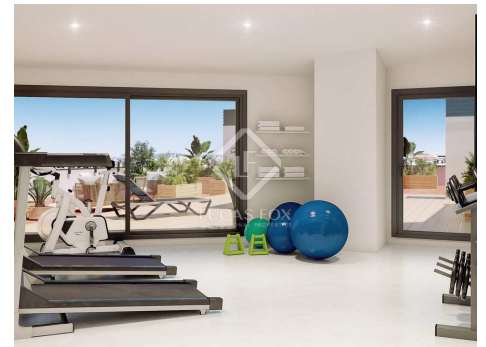

Upon entering, we are welcomed by a hall that also distributes the rest of the space and clearly divides the day area from the night area. On the right, we find a single bedroom, a double bedroom and, in the background, the master bedroom with its private bathroom and a large closet.

To the left of the hall, we find a second bathroom that serves the rest of the home. Finally, the hall opens onto a large open space that houses the living-dining room and the open and fully equipped kitchen. This room is very cozy and has plenty of natural light, thanks to its windows that face the street.

The property enjoys the best technical features and equipment and benefits from excellent energy efficiency. Among them, we can highlight its oak wood parquet floors, the spacious wardrobes or the led lights.

The kitchen features mosaic tiled floors and a Silestone worktop and is equipped with all Balay brand appliances (extractor hood, induction hob, oven, refrigerator and washing machine). The bathroom has porcelain stoneware floors, Roca equipment and a chrome electric towel rail.

Finally, you have the option of a parking space in the basement of the same building for an additional cost.
