OVERVIEW

Apartment with the best quality finishes, renovated down to the smallest detail but at the same time preserving all the charm and sophistication typical of the modernist architecture of Barcelona's Eixample.

Beautiful renovated apartment with the best quality finishes in a stately building with a lift and community terrace, strategically located in the Eixample Right neighbourhood. It enjoys abundant light, since it is totally exterior facing.

Once we enter the apartment and leave a large hall with a guest bathroom and office on the right, we enter the living room, dominated by a fireplace and an open kitchen, fully equipped with high-end appliances and a wine fridge. The kitchen then leads to the night area, which is made up of two large double bedrooms with shared complete bathroom and two suites with their own bathroom and access to a balcony. One of the suites also has its own dressing room.

The property is equipped with ducted air conditioning, double glazed windows, electric shutters and a storage room on the roof.
