OVERVIEW

Completely renovated apartment with 3 bedrooms and 2 bathrooms on a corner with 5 balcony doors in a spectacular building in the Golden Square.

Upon entering the apartment, we find a hall that leads to the day area. On the right hand side, the master bedroom suite is presented with a balcony to the interior patio, and next, you will find a kitchen with a central island that opens partially to the living room area. Thanks to its orientation, this room receives a lot of direct sun.

To the left, there is another large bedroom with access to a balcony and a guest toilet.

The property has just been renovated with the highest quality finishes and has maintained the original elements. The buyer also has the possibility of purchasing the furniture (sold separately).

An unbeatable opportunity for those looking for a home in the heart of Barcelona.
