OVERVIEW

Fantastic renovated 88 m² penthouse for sale in the emblematic Gothic quarter, Barcelona.

This penthouse is located on the fourth floor of a recently renovated 19th century manor house with a lift.

With a built surface area of 88 m², this property has undergone an excellent quality renovation, maintaining original elements such as the ceilings with wooden beams and some exposed brick walls.

The property consists of a spacious living-dining room with access to a terrace for common use, two double bedrooms with fitted wardrobes and two bathrooms (one of them private with separate bathtub and shower). The layout is completed by a large open kitchen with Bosch appliances and a separate laundry room.

The penthouse has individually controlled ducted air conditioning (Airzone) in the bedrooms and living room, remote controlled blinds, smart lights and accessories, smoke detector, smart lock and motion, light and temperature sensors. It also enjoys plenty of storage space and a nice hanging fireplace in a Nordic design.
