Excellent 3-bedroom apartment with 20 m² terrace for sale in Eixample Right

Spectacular 171 m² main floor apartment with 3 double bedrooms, 3 complete bathrooms, bay area, balconies and interior patios in an incredible building with a gym and community pool.

Spectacular apartment on the main floor with original details in a renovated building with a communal gym and pool.

The building where this property is located was completely renovated in 2015. Features such as storage rooms were added (each home has one attached in the deed), a gym in the basement of the building and communal terrace with pool. This building is located in the best area of the Eixample, and with luxury finishes. In addition, it has a concierge service.

The apartment is located on the main floor, which has the highest ceilings in the property. Therefore, when we access both the living room and the master bedroom, we are surprised by the 4 m high ceilings.

The apartment has 3 double bedrooms and 3 complete bathrooms, each one next to each of the rooms. The main master suite has a window to Carrer Casp and the other 2 bedrooms overlook a different interior patio that is also reachable from a private one.

The finishes of the home are luxurious, and they are also practically brand new.

Do not miss this opportunity to live in a luxury apartment in Eixample, in a unique building with classic details but with new construction amenities, gym and pool.
