OVERVIEW

Newly renovated penthouse with 3 bedrooms with private bathroom and a fantastic terrace at the foot of the living room. The property is being sold newly renovated, brand new.

This penthouse, which will be delivered is characterized by its abundant natural light, since it is located on the top floor of the building.

It covers 172 m² plus 77 m² of terrace next to the living room.

As soon as we enter, we find the large day area and its large windows. This part of the property offers a living-dining room, a courtesy toilet, an open kitchen and a utility area.

The night area houses, on the one hand, the master bedroom with access to the terrace and, on the other hand, two bedrooms (one of them with access to the terrace).

The renovation is of high quality and includes materials such as natural oak flooring, a kitchen with Statuario marble top, matt black aluminum window frames with double glazing and IPE wood flooring on the terrace, among others.
