OVERVIEW

Renovated penthouse with terrace for sale in the Sant Antoni neighbourhood.

In the Sant Antoni neighbourhood, near the market, we find this spectacular duplex penthouse with a terrace of approximately 30 m².

The building has been restored and redesigned and all the homes have been updated. The renovation has left the 19th century façade intact, while the interiors have a contemporary New York style.

The property covers 85 m² built on two floors.

The main floor consists of a hall that leads to a fairly spacious living-dining room. Next to it we have a fully equipped open kitchen with high quality materials. The kitchen area also has a utility room and a guest bathroom. The highlight of the property is also located on this same floor: a very spacious terrace with views, perfect for enjoying a chill-out area.

The upper floor offers two single bedrooms that share a complete bathroom and a bedroom with a private bathroom.
