5-bedroom apartment for sale in Sant Gervasi - La Bonanova, Barcelona

Magnificent 240 m² apartment, sunny and bright, with a perfect layout.

Beautiful apartment to renovate, in a classic building from 1945, majestic entrance with vaulted ceilings, lift with a double entrance (one for service staff) and a concierge service.

This apartment overlooks two streets, enjoying natural light in the mornings and afternoons.

There is an entrance with a large hall, in the living area we find a large exterior-facing dining room with large windows and a balcony. A door leads to the large kitchen, utility area and guest toilet.

In the night area we find 5 double bedrooms and two complete bathrooms.

The apartment is in its original format, with stoneware and carpet floors, wooden window frames and doors. There is air conditioning in the living room and hall.

The building has been renovated on both façades and has a newly renovated staircase and a lift.

The plan with a layout proposal has been made by our architects.
