173m² Floorplan

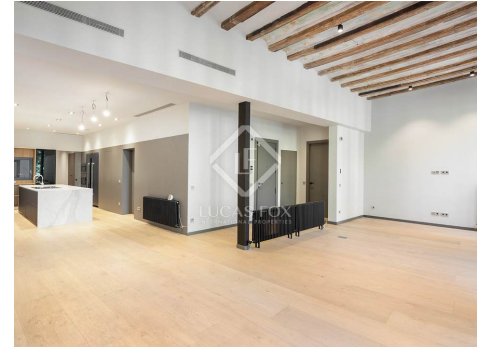

OVERVIEW

Spectacular 173 m² apartment for sale next to the Boqueria market.

Completely renovated apartment, located on the first floor of a building in perfect condition, with a direct lift to the apartment and in the Ramblas, in front of the Boqueria market and a step away from all the tourist attractions of Barcelona.

The property offers a large living-dining room with an open kitchen of more than 50 m², with high ceilings, abundant light and access to three large balconies overlooking the Ramblas. It also offers three double bedrooms, all exterior, with a private bathroom and a dressing area. It should be noted that the bedrooms at the back have access to a very quiet pedestrian street. One of them faces the Ramblas, overlooking the entrance to the Boqueria market. The layout is completed by a guest toilet and a comfortable utility area in front of the kitchen.

The renovation that has been carried out in the apartment is of high quality, creating a modern and functional home, ready to move into. Some details of the renovation include wooden floors, ducted air conditioning, aluminum radiators, a fully equipped kitchen with high-end appliances and wooden beams.
