OVERVIEW

Fantastic 3-bedroom apartment, ready to move into, with high ceilings and mouldings, for sale in Barcelona's Eixample Right.

On the actual fourth floor of a classic building from 1970, we find this renovated 194 m² apartment with original 3.5 metre high ceilings and mouldings.

In the day area we have a very bright living room with two balconies overlooking Passeig de Gracia and, then, a dining room that opens onto the living room. This same part consists of a kitchen with a separate utility room opposite. The kitchen is equipped with very good quality brands: Neff, Liebherr and Bosch.

We continue down a corridor that leads us to the night area, which begins with a complete bathroom with a shower. Opposite, the corridor is wider and offers enough space to put an office. Then there are two double bedrooms, one of them with built-in wardrobes. At the end of this area we find a very spacious and bright bedroom with a period fireplace. This room gives access to a 15 m² gallery with built-in wardrobes and a large complete bathroom with bathtub and shower. The gallery can be returned to its original state and transformed into a terrace. This area overlooks the inner block of the prestigious Pedrera.
