New build 3 Bedroom apartment with 8m² terrace for sale in Sarrià, Barcelona

Wonderful development with 6 buildings with a communal pool, garden, gym and events room, right next to the Collserola Natural Park.

Bell Sarria is an exclusive new development located in one of the best parts of Sarrià, in the Joan Reventós Park, a beautiful green area located on the slopes of the Collserola Natural Park. Its location is very attractive due to the proximity to the main international schools of Barcelona, as well as very easy access to the airport connections of the city in less than 15 minutes by car.

This new development is divided into 4 residential complexes that house spacious multi-family homes with 2, 3, 4 or 5 bedrooms. Thanks to its variety of formats, it will not be difficult for you to find the ideal home for your family, whatever it may be.

The design of these magnificent apartments and penthouses seeks to enhance the distribution of spaces, their brightness and size, with access to terraces, solariums (in the case of penthouses) and private gardens (in the case of ground floor flats). Within the residential areas, the community areas stand out, including a gym to exercise without leaving your home and a social club space where you can organize private events. In addition, each complex enjoys its own garden area and communal outdoor pool for the enjoyment of the neighbours. In addition, the development has a security service.

Bell Sarria: it is made up of 4 buildings and a total of 40 homes, parking spaces and storage rooms. This residential runs the contour of the park towards the Sagrat Cor de Sarrià.

The development has top quality finishes, among which are an innovative system of openings and closings on the façade for the intelligent management of light and thermal well-being, and premium quality materials and accessories.
