Excellent 3-bedroom apartment for sale in Eixample Right, Barcelona

Spectacular completely renovated west-facing apartment for sale in a chamfering building between Casp and Girona streets, in the Quadrat d'Or of the Eixample neighbourhood.

This apartment is completely renovated and modernized for greater comfort and practicality, but the original period features have been preserved.

The property has a large living-dining room with access to a gallery, a French kitchen, two complete bathrooms and three double bedrooms overlooking the street. It has a private storage room on the community terrace.

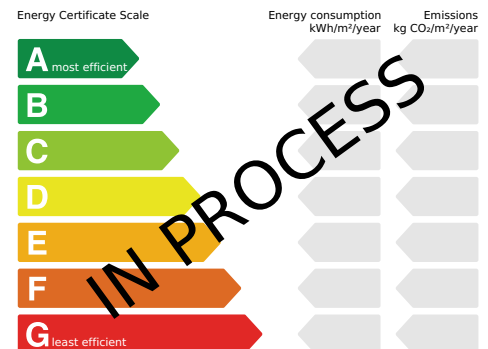

Among its characteristics, we can highlight the new electricity, telephone and water pipes installations, the porcelain stoneware floors of the Serafini brand in the kitchen and bathrooms, the natural oak parquet flooring in the entrance and the living room and the wooden doors restored.

For added comfort, there is a Mitsubishi brand centralized heat pump air conditioning, an integral heating system with radiators and double-glazed windows. In addition, the kitchen is fully equipped with high-quality furniture and equipment.
