Excellent 2-bedroom apartment for sale in Eixample Right, Barcelona

Exterior-facing apartment located on the fourth floor of a building with a lift and one residence per floor and with a terrace at the back. It faces east towards Carrer Arag3n, with morning sun and, on the other side, to a quiet courtyard.

The house is located on a fourth real floor of a narrow building in the Eixample. The building, conditioned by the characteristics of the building, has an elongated layout, creating homes with two clearly differentiated areas, one overlooking each faade, and intermediate spaces with two interior ventilation patios.

The property has a large living room with a gallery and dining room with open kitchen. The kitchen is fully equipped with the best brands.

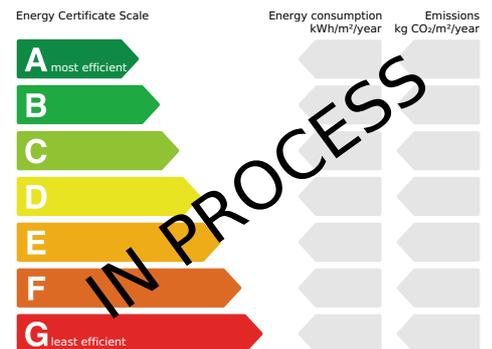

The night area houses two bedrooms with their respective private bathrooms. One of them has access to a balcony, perfect to enjoy the outdoors.

The property has been renovated with the best quality finishes, maintaining original elements such as the carpentry and mosaic floors combined with natural wood flooring.
