OVERVIEW

Exterior-facing apartment with 3 bedrooms and 3 bathrooms with period details and high-rise ceilings for sale located between Poble Sec and Sant Antoni, two of the busiest neighbourhoods in Barcelona.

Lucas Fox presents this property in perfect condition and completely renovated 5 years ago. It has a special charm, and it enjoys incredible light since its double bedrooms and the living room have access to balconies overlooking a beautiful square.

The central area of the home is occupied by a kitchen with a large dining area leading to the bedrooms.

The apartment has three bedrooms, two of them with private bathroom, plus another complete bathroom.

An attempt has been made to preserve the original elements of the home as much as possible, among which the mouldings on the ceilings, the areas with mosaic tiled floors, the carpentry and the Catalan vaulted ceilings stand out. In addition, the property boasts wonderful high ceilings.

The building is located between the Sant Antoni neighbourhood and the Poble Sec neighbourhood, two neighbourhoods that enjoy great history and charm in the city of Barcelona. The building with three facades has its access from a beautiful square on the same avenue del Paral·lel, right next to the mythical Teatro del Molino.

The building dates from the 1900s and has a lift.
