OVERVIEW

Incredible 98 m² renovated penthouse with two large double bedrooms for sale in a quiet passage in the heart of La Bonanova, Barcelona.

Fantastic 3-bedroom penthouse for sale in the heart of Bonanova. The property has been recently renovated.

The property has an area of 98 m² and presents clearly differentiated day and night areas thanks to the entrance hall.

Entering the property, on the left, we find a spacious living room with a small annexed office. The living room connects to a fully equipped kitchen. From both rooms, there is access to an elongated balcony that runs along the facade of the building.

The night area overlooks the interior of a quiet block patio with mountain views. It has two very large double bedrooms facing east, one of them with a gallery, and a private bathroom with a shower. It also has a small room for the water area. It has a third single bedroom and a second complete bathroom with a bathtub next to the other double bedroom.

The property is completely renovated, brand new in a four-storey building, with one floor per floor, so we are facing a quiet farm with only four neighbours.

It has period coffered ceilings in the kitchen and living room and has a safe.

The building has a large communal terrace with views of the sea and the mountains.
