OVERVIEW

Completely renovated semi-detached house for sale in Sant Gervasi-La Bonanova, Barcelona.

We enter the house through a large hall that leads us to the living area, very bright thanks to its large windows that give access to the terrace on the main floor. Next to the living room, we have the kitchen with a large island fully equipped with high-quality appliances and with access to a terrace.

On the first floor, we find three double bedrooms, two of them with private bathroom. All bedrooms are exterior and have fitted wardrobes. We complete the first floor with a complete bathroom.

On the second floor, there is a large master suite with access to a large, very quiet terrace, with its complete bathroom and a large dressing room.

On the lower ground floor, we find the service bedroom with its complete bathroom, the ironing area, a guest toilet, a pantry and a large multipurpose room for games. From the same floor, we access the garage with three very large spaces.

The whole house is connected by wide wooden stairs or by a lift. It has a home automation service for the whole house, high-quality finishes and security.
